

General Disclaimers

No Offers or Reliance:

The information on this website is provided for informational purposes only and does not constitute an offer to sell any securities or the solicitation of an offer to purchase any securities. Such offer may only be made by means of an offering memorandum, which would contain, among other things, a description of the applicable risks.

LFFS makes no representations that transactions, products or services discussed on this website are available or appropriate for sale or use in all jurisdictions or by all investors. Those who access the site do so at their own initiative and are responsible for compliance with local laws or regulations.

While LFFS uses reasonable efforts to obtain information from reliable sources, LFFS makes no representations or warranties as to the accuracy, reliability or completeness of any third-party information or document on the site. LFFS undertakes no obligation to update publicly or revise any information herein, whether as a result of new information, future developments or otherwise. Opinions and any other content on the site are subject to change without notice.

This website does not provide investment or other advice, and no information or material on this website is to be deemed a recommendation to buy or sell any securities or is to be relied upon for the purpose of making or communicating investment or other decisions. In addition, no information, content or other materials contained on the site should be construed or relied upon as investment, legal, accounting, tax or other professional advice or in connection with any offer or sale of securities. Any transactions listed on the site are included as representative transactions and are not necessarily reflective of overall performance.

Tax considerations, fees and other fund and transaction costs may significantly affect the economic consequences of any transaction referenced on this site and should be reviewed carefully with one's investment and tax advisors. LFFS does not advise on the tax consequences of any investment.

Investment Performance:

Past performance is not indicative of future results; no representation is being made that any investment will or is likely to achieve profits or losses similar to those achieved in the past, or that significant losses will be avoided. The price or value of investments referenced on this site, directly or indirectly, may rise or fall.

Investment concepts mentioned on this site may be unsuitable for certain investors depending on their specific investment objectives and financial position. It should also be noted that individual funds or managed separate accounts will have specific risks related to their investment programs or strategies that will vary from fund to fund or strategy to strategy. INVESTORS SHOULD CAREFULLY REVIEW AND CONSIDER POTENTIAL RISKS BEFORE INVESTING. An investment in alternative investments is speculative and not suitable for all investors. Investing in alternative investments is only intended for experienced and sophisticated investors who are willing to bear the high economic risks associated with such an investment.

Where a referenced investment is denominated in a currency other than the investor's currency, changes in rates of exchange may have an adverse effect on the value, price of or income derived from the investment.

Third Party Content and Linked Sites:

References on this site to any names, marks, products or services of third parties, or hypertext links to third party sites or information or content provided by third parties, are provided solely as a convenience to you and do not in any way constitute or imply our endorsement, sponsorship or recommendation of the third party, its information, materials or services. LFFS is not responsible for the practices or policies of such third parties, nor the content of any third party sites, and does not make any representations regarding third party materials or services, or the content or accuracy of any material on such third party sites. If you decide to link to any such third party sites, you do so entirely at your own risk.
